PURCHASE ORDERS

We gladly accept purchase orders from schools, clinics and other providers!

To set up an account, please fill out this form and return it to us by mail or fax along with your order.

- Schools, clinics and providers receive 10% off the prices seen in our brochures and on our website.
- Terms are Net 30
- Free Shipping on orders over \$75
- We are happy to provide a quote for large orders of a single item.
- We are approved vendors for many school districts, clinics and government agencies around the country. Just let us know if your organization has vendor requirements--we are happy to provide whatever information is needed.
